Partial Amendment of Certain Fiscal 2009 Earnings Reports

TDK Corporation (“the Company”) has announced partial amendments of figures shown in certain earnings reports issued in fiscal 2009, the year ended March 31, 2009. TDK has amended only certain components of geographic sales in geographic segment information, and therefore total sales figures have not been amended.

1. Reasons for Amendments

TDK has found certain overlapping sales figures in geographic segment information for the third quarter of fiscal 2009, and has determined that amendments would be appropriate.

2. Earnings Reports Amended

- 1) Consolidated results (U.S. GAAP) for the 9-month-period of FY March 2009 (Issued February 9, 2009)

- 2) Consolidated results (U.S. GAAP) for FY March 2009 (Issued May 8, 2009)

3. Amendments in Attached Document

The amendments are indicated in the attached document with a double underline.

4. Other Matters

The amendments are already reflected in figures shown in the corresponding parts of geographic segment information in the fiscal 2010 third-quarter earnings report (Consolidated results (U.S. GAAP) for the 9-month-period of FY March 2010) issued today.
