### Electronic Materials and Components

#### Electronic Materials

#### Main Products

Multilayer ceramic chip capacitors, ferrite cores for coils and transformers, ferrite and rare-earth magnets

#### Electronic Devices

#### Main Products

Coils, EMC components, transformers, high-frequency components, piezoelectric components, sensors, chip varistors, DC-DC converters, switching power supplies

#### Recording Devices

#### Main Products

GMR heads for hard disk drives, heads for high-capacity floppy disk drives, thermal printer heads, optical pickups

#### Semiconductors and Others

#### Main Products

ICs for modems and LAN/WAN applications, anechoic chambers

### Recording Media & Systems

#### Main Products

Audiotapes, videotapes, CD-Rs, MiniDiscs (MDs), DVDs, tape-based data storage media for computers
